Changes in Medicaid Eligibility during COVID-19

During the COVID-19 State of Emergency, individuals who need insurance coverage should complete an application for Medicaid insurance as guidelines have recently been changed and you may be eligible for coverage.

Kentucky Homeplace Community Health Workers are here to help. They are qualified Application Assisters and are available to complete the application for you over the telephone Monday - Friday 8:00 am - 4:30 pm.

For assistance with enrollments, call one of the numbers below:
